TSS Software Corporation adds GreenFolders™ to its TitleExpress platform

ANNAPOLIS, MD –TSS Software Corporation is pleased to add GreenFolders™ to its TitleExpress™ title and settlement platform. This integration provides TSS customers seamless access to the GreenFolders™ office management system, allowing staff to share files, documents, tasks, and client communications.

The GreenFolders™ office management system is designed to increase efficiency and productivity while reducing costs and eliminating the bother of paper files. GreenFolders connects staff and files in a single interactive, collaborative environment.

“GreenFolders provides our customers with an exceptionally sophisticated office management solution,” states Barbara Miller, president and chief operating officer of TSS, adding “we are pleased to continue development of this integration with the tools necessary for a paperless workflow.”

Todd Hougaard, executive vice president of business development at GreenFolders, Inc. states “we are excited to bring our breakthrough system to TSS users nationwide. We have already seen tremendous success with TSS customers and are confident this integration will bring additional efficiency and profitability.”

Contact Todd Hougaard at 801-747-2132 or todd.hougaard@greenfolders.com for additional information or to schedule a free demonstration.
